

Riverside adventures at Fingle Woods

Explore the riverside trail to discover incredible wildlife and family fun.

The River Teign
is a hotspot for
wildlife! What
can you spot?

Kingfisher

Keep your eyes peeled for the flash of electric blue.

Grey heron

Fish

Look out for salmon and brown trout leaping from weirs and rapids.

Dipper

Grey wagtail

Have a leaf boat race

Make boats using leaves, twigs and mud. Anchors away! Choose a shallow part of the river to launch your boats, then follow them as they race downstream. Whose boat sails the furthest?

Play Pooch Sticks on Fingle Bridge

1. Everyone chooses a stick.
2. "1, 2, 3..." drop them from the bridge into the river below. (Stand with the Fingle Bridge Inn behind you so your sticks float the right way.)
3. Check for cars then race to the other side to see whose stick appears first!
