

Explore autumn at Fingle Woods

Can you find all 10 of these autumn signs on your adventure?

Fly agaric

This colourful fungus is poisonous - look but don't touch

Spider webs

Look for delicate webs draped across hedgerows

Blackberries

Keep your eyes peeled for bramble leaves turning a vibrant red

Deer rutting

Listen for the sound of deer bellowing or antlers clashing as males compete for a mate

Hazelnuts

Can you see tooth marks left by dormice or squirrels?

Golden beech leaves

Listen to the crunch of crisp leaves under your feet

Acorns

Can you spot squirrels gathering acorns to store for the winter?

Rowan berries

Look out for birds pecking at the bright red berries

Sweet chestnut cases

Peek inside the prickly green case to find the glossy chestnuts

Sloes

Look out for bluish purple fruit on blackthorn
