

Track down spring at Fingle Woods

Can you find all 10 of these spring signs on your adventure?

Lesser celandine

See it: March-May
Watch out for the star-shaped flowers closing up just before rain

Bluebell

See it: April-May
Wow! Discover a dazzling carpet of bluebells covering the forest floor

Buzzards

Look up. Can you see large buzzards circling high in the sky, hunting for prey?

Ramsons (wild garlic)

See it: April-May
Take a deeeeeeep breath: can you smell the garlic scent of the leaves?

Birdsong

Listen for twitterings, tweetings and chirps

Wild daffodil

See it: March-April
Look out for these cheerful flowers announcing the arrival of spring

Wood anemone

See it: March-May
Can you spot hoverflies visiting the flowers for nectar and pollen?

Birds gathering nest materials

Keep your eyes peeled for birds collecting twigs, grass and moss

Wood sorrel

See it: April-May
Take a closer look at the heart-shaped leaves: they grow in groups of three

New buds on trees

Watch out for buds swelling and bursting open to reveal fresh leaves
